

# Obama-Bingo

End the war  
in Iraq

The America  
we love

Berlin

The belief  
that it can be  
made better

Change

Change

Bush's politics  
of fear

Inspire a  
better world

My idea  
of America

A new  
generation

21st Century

Perversions of  
our political  
system

Bring the  
country  
together

As on people

Make a  
difference

Our time  
has come

Rebuilding  
our nation

Change

Finish the  
fight against  
Al Qaeda

Tell the people  
the truth

Change

The tyranny  
of oil

Our moment  
is now

Yes, we can
